Getting to Know MNSOM

What is MNSOM?

The Minnesota School of Ministry (MNSOM) is a part of a nationwide Assemblies of God ministry to help men and women 18 or older answer the call of God on their lives for ministry. There are 37 District Schools of Ministry across the United States. MNSOM operates in collaboration with the Minnesota District Council and the Midwest Latin American District of the Assemblies of God.

MNSOM provides the academic requirements for those pursuing or upgrading credentials with the Assemblies of God. MNSOM also welcomes those who would like to receive foundational training to develop practical ministry skills to use in their church and communities.

There are various ways in which a person can acquire the academic requirements for Assemblies of God credentials. Life circumstances may make it impractical to attend an Assemblies of God college or university. Self-study courses, such as Berean/Global University, are an alternative course of study as well. However, many find success within MNSOM's study format offering an ideal blend of both self-study and a one-day-a-month classroom experience. MNSOM students benefit greatly from face-to-face interaction with instructors and other students. It also provides meaningful networking opportunities with District officials and pastors from across the state.

Ministers everywhere find they are constantly seeking to keep a healthy balance between family, ministry and, many times, bi-vocational employment. Additionally, due to distance, those who serve in rural Minnesota communities have the additional challenge of travel limitations. MNSOM fills those crucial needs within the Minnesota District Assemblies of God fellowship by providing non-traditional education formats that allows participation by all.

Whether you are looking to begin the journey toward credentialing, upgrade your credentials, or increase your Biblical and doctrinal knowledge, we're here to help you prepare for the ministry God has for you!

MNSOM History

MNSOM opened its doors in April 2011 in Red Wing, Minnesota with six students completing twenty-three classes in the first year.

Now, more than ten years later, MNSOM operates at four convenient locations. The English track classes are held in the south Twin Cities area at Celebration Church in Lakeville, in St. Cloud at Hope City Church and in Cloquet at Good Hope Church. The Spanish track is held at the Assemblies of God District Office in downtown Minneapolis.

Currently, MNSOM serves over 220 students who have completed over 850 classes in the past year.

Endorsement

The Minnesota School of Ministry (MNSOM) is recognized and endorsed by the Executive Presbytery of the General Council of the Assemblies of God as a District-based Bible Institute. MNSOM has also been recognized and endorsed by the Executive Presbytery of the Minnesota District Council of the Assemblies of God as an official ministerial training program for those seeking credentials through the Minnesota District Council of the Assemblies of God.

Frequently Asked Questions

Frequently Asked Questions

Who Are the Instructors?

The Minnesota District of the Assemblies of God is blessed to have an excellent number of talented college professors, district officials and credentialed ministers and missionaries who have a passion and desire to invest in the next generation of pastors and ministers. The MNSOM instructors and leadership fully subscribe to the *Statement of Fundamental Truths* of the Assemblies of God and support the principles and polity of the Assemblies of God.

How Will I be Graded?

Students must attend the entire class, read the textbook and assigned readings, complete the Text Overview homework assignment, and successfully pass the course exam to receive credit for the course. Exams are formed from the questions on the Text Overview homework assignment. Students must receive a passing grade of at least 70 (C) in order to receive credit in MNSOM and also towards credentials.

The final grade is determined by the following:

- 20% - Class Attendance (granted for attending *entire* class session)
- 40% - Text Overview Homework (must be completed to attend class)
- 40% - Final Exam

What Should I Expect at a MNSOM Weekend Class?

Class sessions are held on Saturdays, one day month from 8:30 a.m.–3:30 p.m. Registration opens at 8 a.m. Worship and devotions start promptly at 8:30 a.m. Homework, if required on paper, is collected upon arrival.

The first classroom session will provide students with a full review of the course materials and then the final exam is administered. During the remainder of the day, the focus will be on the practical applications of the topic with discussion of relevant issues in ministry today. Students are encouraged to ask questions as well as glean from the experience of the teaching staff. Course materials are graded and submitted along with final exams for a final course grade.

What If I Register for a Class but Can't Attend?

Students unable to attend a course for which they have registered may request a transfer of their registration fee to a future MNSOM course. This emailed request to mnsom@mnaog.org must be made 24 hours prior to the class session for which they are initially registered. Then they need to complete the rollover form within 30 days listing to which class to apply the registration fee. A \$25 processing fee will be charged to complete the online rollover tuition form.

On rare occasions, classes may switch to being virtual on the Zoom platform due to inclement weather or cancelled because a required minimum of students did not enroll for a particular class. MNSOM staff will contact students via email if there are class changes.

One-Day-a-Month Classes are conducted ten months of the year.

Three tracks are offered each month, one for each credentialing level:

- Level 1 Track: Certified Minister (100's)**
- Level 2 Track: Licensed Minister (200's)**
- Level 3 Track: Ordained Minister 300's)**

What is Expected of MNSOM Students?

Prior to class (date listed on schedule), students are required to read through an assigned textbook and, in some classes, additional reading materials. They will also need to complete a Text Overview homework assignment. In the month previous to the class, an average of fifteen hours of study is usually necessary to complete the homework. Combining preparatory time and classroom time with qualified instructors, students will invest approximately twenty hours per course.

For some of the classes (Faith & Action books), the Text Overview answers are *turned in online through Moodle*. If the Text Overview homework is required to be completed online, all answers must be entered by Friday at **NOON** of the day preceding the class.

For the other classes, the Text Overview is required to be *typed out on paper*, it will be turned in at the time of morning class check-in.

Attendance for the entire Saturday session is **mandatory** in order to meet the requirements for successfully completing the class and ultimately meet the academic requirements that qualify for Assemblies of God for credentialing.

When I Complete the MNSOM Courses, Will I Automatically Receive Assemblies of God Credentials?

Required credential courses successfully completed through MNSOM fulfill the *academic requirements* of the General Council of the Assemblies of God for the respective level of credential with the Assemblies of God but do not guarantee credentials.

Obtaining credentials requires an extensive application procedure including gathering references, background checks, credit checks, interviews, attending a credentialing seminar and a written test. More information is at mnaog.org/credentials.

Getting Started

Step1

Enroll in the School

Complete the Enrollment Application found at MNSOM.org and pay the one time \$60 school application fee online. The application fee is non-refundable and does not include individual course tuition fees or the cost of textbooks.

Step2

Pastor's Recommendation

All students are required to submit a pastor's recommendation unless they currently hold Assemblies of God credentials. You can download the pastor's recommendation form on the MNSOM website and give it to your pastor to fill out and send the completed form in to the District office.

Step 3

Register for a Class

After MNSOM receives your application and the completed Pastor's Recommendation form, we will contact you via email with information on how to register for classes and how to enter our Moodle platform to obtain homework and textbook information. Tuition is \$99 per course. There is an \$15 late fee if you register less than 3 weeks before a class. The book cost is not included in the class tuition and is purchased separately.

Step4

Log into Moodle

Moodle is the MNSOM website where you will access your textbook to purchase and Text Overview homework assignments for each course. After registering for your first MNSOM course, you will receive a confirmation email that will contain instructions. Half of the courses require homework be submitted on Moodle by the day before class.

9

Step 5 Order Your Textbook

Students are responsible for ordering their own textbook for each course. A list of the textbooks for each course can be found on the Moodle website on the course page. Textbooks are available from a variety of sources. Students may purchase books new, used or e-format, from wherever they choose.

Step 6 Homework Assignment

Homework assignments for each class are located on the MNSOM Moodle website. After registering for your course you will receive a confirmation email that will give you the access information for your class on Moodle. MNSOM uses two types of Text Overview homework assignments. One type is the Bible Institute format where students type out answers and print a copy to bring to class. The other is completed online on Moodle and is due at *noon* the day before class. Reading the textbook and completing the homework typically takes 15 to 20 hours depending on the student's study habits. You must have the homework completed before class to attend. Forty percent of the grade is based on homework and the exam is also based on the homework.

Step 7 Attend a Class

Classes meet one Saturday a month from 8:30 a.m.- 3:30 p.m. at all locations. Registration begins at 8:00 a.m. It is important that you arrive on time and bring your homework, textbook, and computer or notebook to take notes. Full day attendance is required to receive credit for the class. Exams consist of Multiple Choice, True/False, and/or Matching questions based on the homework. (No essays)

Step 8 Internship

For those working toward credentials with the Assemblies of God, there is a required internship for each level (minimum 6 months time commitment). You will register for the internship on MNSOM.org as you would for a normal class when you are about half way through your classes. There is no formal class setting for internships but we do offer an annual Internship Summit called Propel. The Internship Director works in tandem with the student's approved AG Pastor/Mentor.

Step 9 Credentialing

Completing MNSOM classes and internships are the first step toward pursuing Assemblies of God ministry credentials. Credentials require an extensive application procedure including references, recommendations, background checks, credit checks, interviews, a written test, credentialing seminar, etc. You can find more information about the credentialing process and the Credentialing Handbook with timeline on the Minnesota Assemblies of God website at mnaog.org/credentials.
