We are here to help and encourage you in your journey!

If you have any questions or can be of any service to you, feel free to contact us by phone or by email mnsom@mnaog.org.

Statement of Purpose

MNSOM seeks to integrate spiritual formation, relationship building, and academic achievement to provide a unique learning experience. MNSOM students not only acquire the knowledge necessary for obtaining ministerial credentials, but also develop character and skills essential for effective ministry.

Assemblies of God Endorsement

MNSOM is recognized and approved by the Executive Presbytery of the General Council of the Assemblies of God and is a member of the nationwide Association of District Schools of Ministry. MNSOM was established by the Executive Presbytery of the Minnesota District of the Assemblies of God as an official ministerial training program for those seeking credentials through the Minnesota District of the Assemblies of God.

Disclaimer

MNSOM is a **non-accredited** Bible Training Institute. The MNSOM Board strongly urges adults seeking accredited undergraduate, graduate, and post-graduate education to first consider enrolling in one of the excellent residential or extension educational Assemblies of God institutions. MNSOM will diligently seek to guide students to pursue the course of ministry education that will best serve them; including Berean (Global University) or an Assemblies of God university, college or seminary.

Courses taken through MNSOM, while meeting the educational requirements for credentials with the General Council of the Assemblies of God, do not automatically qualify for credits at an accredited educational institution.

MNSOM courses fulfill the academic requirements required to receive credentials with the Assemblies of God. However, completion of MNSOM courses does **not** guarantee credentials will be granted, nor that preferential treatment will be given to those completing the required ministerial training courses through MNSOM. ***The credentialing of ministers is a process separate from completion of the educational requirements.***

Credentialing information can be found at <https://mnaog.org/credentials/>

If you have previous credits from an accredited college or another DSOM, please send an unofficial copy to Erin Corbett for evaluation to see if any credits can be applied towards credentials. ecorbett@gmanog.org

Standards of Academic Integrity

Enrollment in MNSOM requires adherence to basic standards of academic integrity. Any violation of these standards may result in disciplinary action.

In addition, a notation of the violation will be placed in the student's permanent file, which is reviewed by the credential committee and by the Presbytery during the credentialing process with the Minnesota District Council of the Assemblies of God.

The following examples represent some basic types of behavior that are unacceptable. (This is not an exhaustive list.)

1. Plagiarism—submitting work done by someone else as your own.
2. Copying or paraphrasing someone else's work and submitting it as your own.
3. Obtaining or sharing MNSOM homework assignment from students that have previously completed the courses.

Standards of Personal Integrity

Ministers of the Gospel are expected to live a life of integrity, purity and honesty. While we recognize that everyone is in the process of sanctification, a Christ-like life is the standard for our students. To that end, please note that when applying for AG credentials, you will be asked:

- In the last seven years (or since your conversion, if less than seven years ago) have you had sexual contact/activity outside of a biblically defined marriage (such as adultery, incest, homosexual activity, etc.), or been engaged in or intentionally viewed pornography?
- Over the past 24 months, have you struggled with any issues or life-controlling habits such as alcohol, recreational drugs, or other issues/addictions that would hinder your ability to meet the leadership qualifications outlined in 1 Timothy 3:1-7 and Titus 1:5-9?

Student Policies

Enrollment: Individuals called to ministry or interested in equipping themselves for more effective service may enroll as students at any point in the year by completing an online application at MNSOM.org and paying a one-time enrollment fee. A pastor's recommendation is also required of all applicants unless they currently hold ministerial credentials and are in good standing with the Assemblies of God. Only students enrolled in MNSOM may register for classes. MNSOM reserves the right to deny enrollment to any person it deems unsuitable for study through the school of ministry.

Class Registration: Class registration should be completed on the MNSOM website (www.mnsom.org). Registration with the \$99 fee for each course ***is due at least three weeks before the course is offered***. Late registrations will be accepted with a \$15 late fee up to 10 days before the class when registration closes.

Course Make-Up: Students are responsible to manage their own schedules. They can attend MNSOM courses as scheduled at any of our convenient locations. This is especially important for those students wanting to complete a credentialing level during the scheduled time. However, on the rare occasions when emergencies and scheduling conflicts occur, students are encouraged to complete the course at a different MNSOM class location, through Berean studies offered through Global University, attend a DSOM in another district, or to register for the next scheduled offering of the course.

Tuition Rollover: In the event that a student is unable to make it to a class they are registered for, there is a \$25 fee to transfer the tuition amount to another class. A Tuition Rollover request must be submitted by *email* to mnsom@mnaog.org at least ***twenty-four hours*** before the scheduled class. Students have ***30 days*** after their missed class to complete the Tuition Rollover Form on the MNSOM website under Current Students.

Students who do not send a 24-hour cancellation notice and do not show up for class, will forfeit the complete cost of their class tuition. Last-minute emergencies will be considered on a case-by-case basis. Email us at mnsom@mnaog.org if you know you will not attend.

Attendance: Attendance is mandatory for the entire class session (8:30am-3:00pm approx.). This includes the minimum 5 hours of instruction time required by the Schools of Ministry. If there is inclement weather, classes will be moved to the Zoom video platform. A link to your class will be sent to you via email. Zoom classes start promptly at 8:30am and end at approx. 2:00pm. On rare occasions, classes will be cancelled when a required minimum of students did not enroll for a particular class.

Self-Study: Depending on the class, students will complete on average ten to fifteen hours of preparatory self-study the month preceding the class session. The text overview homework assignments and any other required readings are available online on the MNSOM Moodle website and must be completed before class. Enrolled students are emailed a user name and a password to obtain the class materials.

Course Required Reading: Students are required to acquire or purchase their own textbooks. Textbook information is posted on the MNSOM Moodle website for each course. Students are required to read the course textbook and any additional reading assignments listed prior to class.

Students with Learning Disabilities: The Minnesota Department of Education accommodates students tested and identified with learning disabilities up to the age of twenty-one years old. They must possess an IEP (Individual Education Plan) administered through the State of Minnesota. MNSOM recognizes that some adults may have a variety of learning disabilities. If MNSOM students identify that they require special considerations to complete their classes, they are to contact the MNSOM Dean for an appropriate plan for success.

Assigned Homework: After registration for a class has been processed, students will receive an email notifying them that they can access their homework assignment at mnsommoodle.org. **Students must complete all required homework assignments prior to the class session or will need to cancel attendance and take the class another time.** If you have not finished the homework in time, just email MNSOM at mnsom@mnaog.org within 24 hours of the beginning of the class and you will be able to rollover your tuition (minus a \$25.00 rollover fee). You will be asked to take the class at another time or another MNSOM location. If you do not notify MNSOM by 8am the day before class or come to class with incomplete homework, you will be asked to leave and you lose your tuition money for the class.

If the class is using a textbook from the Faith and Action Series, Text Overview quizzes will be entered on an online website platform called Moodle. **Online homework quizzes must be completed by noon the Friday before class.** *Students who fail to complete the assigned quizzes by the noon deadline on Moodle will need to withdraw from the class and roll over their tuition to another class.*

The remainder of the classes require a **printed out paper copy** of their homework. Students must submit a copy of the completed text overview upon arrival at the class location for grading. **Homework must be typed. Handwritten text overview homework will not be accepted** and the student will not receive a homework score.

Grading: Students must attend class, read the textbook, complete the text overview and any additional assignments, and successfully pass the course exam in order to receive full credit for the course. The final grade is determined as follows:

- 40% -- Text overview homework assignments
- 40% -- Exam
- 20% -- Class attendance granted only for attending the entire class sessions

All MNSOM courses are graded on the following scale:

A = 90-100; **B** = 80-89; **C** = 70-79; **D** = 60-69; **F** = 59-below.

Students applying for credentials must receive a score of 70 or higher in all courses.

Graded exams and printed copies of the text overviews will not be returned to the student and are held in the MNSOM administrative office for three months.

Visitors: Only registered students may attend MNSOM classes. While family and friends are welcome to accompany students, they are not permitted to attend class without advanced permission of the MNSOM Dean. Visitors may be asked by the instructor to leave the class at any time and for any reason.

Electronic Equipment: While technology can enhance the learning process, it can also interfere with the learning environment. No video or audio recordings are permitted without the instructor's consent. Games, DVDs, web surfing, use of social media, etc. are prohibited during class. Laptops, personal cell phones, and other devices are to be used only for note-taking purposes and for studies directed by instructors. Violation of this policy could result in removal from class and/or a reduction in grade.

Financial Policies

1. Payments for enrollment and classes are made online on the MNSOM secure website by credit card. Registrations without payment will not be accepted. class registrations made less than three weeks before the class will require a \$15 late fee.
2. Enrollment fee is a one-time, non-refundable fee.
3. In the event that a student is unable to make it to a course they are registered for, there is a \$25 fee to transfer the tuition paid to another class. A Rollover Tuition request must be submitted by *email* to mnsom@mnaog.org at least *twenty-four hours* before the scheduled class. Students then have *30 days* after the missed class to complete the Rollover Tuition Form on the MNSOM website. Current Students—>Cancel a Class-Rollover Tuition.

Student Admission and Records

1. MNSOM welcomes students 18 or older. A high school diploma or GED is required to take MNSOM classes.
2. MNSOM welcomes Christian students from other evangelical traditions. However, it is important to note that all course content and examinations are consistent with Assemblies of God doctrine and practice.
3. MNSOM reserves the right to deny registration to any person it deems unsuitable for this course of study. MNSOM may not deny admission solely based on race, national origin, gender, or physical disability. MNSOM may deny admission to any person for any other reason.
4. MNSOM will provide certificates in acknowledgement of a student's successful completion of each course.
5. MNSOM is responsible for keeping accurate transcripts and other student records and for making them available to students upon request. Requests for transcripts must be made by the student to the MNSOM staff. MNSOM will provide transcripts at the request of the district credentials office for students applying for credentials.

Administration and Faculty

MNSOM is overseen by the Minnesota District appointed MNSOM Board. It operates within guidelines established by the Presbytery of the Minnesota District of the Assemblies of God, the Executive Presbytery of the General Council of the Assemblies of God, and the Association of District Schools of Ministry. It maintains a positive and cooperative relationship with the Superintendent of the Minnesota District, other District Ministries, and the pastors of the District. The faculty and leadership fully subscribe to the *Statement of Fundamental Truths* of the Assemblies of God and support the principles and polity of the Assemblies of God.

All faculty members serve with the approval of the MNSOM Director and Dean and must meet high spiritual, moral, doctrinal, and academic standards. Members of the faculty also demonstrate practical experience and proven ministry. Members of the faculty and staff may be removed at any time by action of the Director following consultation with the approval of the District MNSOM appointed board. Immoral or unethical behavior, disloyalty, or disregard for appropriate authority, creating discord within the ministry or local church, or incompetence in the exercise of their responsibilities is grounds for removal.
